

How to make a custom fundraising page using www.canadahelps.org

1. Go to www.canadahelps.org
2. Click on “Fundraise” then “Create a fundraiser”

The screenshot shows the CanadaHelps.org homepage. At the top left is the logo with the tagline "giving made simple". Navigation links include "Donate", "Fundraise", "Why CanadaHelps", "Blog", and "For Charities". A "Sign In" button is in the top right. A purple banner at the top contains the text "A Devastating Earthquake has hit Nepal. Charities Providin... t. LEARN MORE". Below this is the main heading "Canada's platform for giving and fundraising online." followed by the text "Trusted by Canadians and charities for over 14 years." A blue section titled "Get Started: Find a Charity" contains two search options: "Search by Charity Keywords" with an input field and a "Search" button, and "Search by Charity Category" with a dropdown menu. Below this are three promotional tiles: one for "Charitable Gifts" with price ranges (\$25 or less, \$26 to \$100), one for "Watch our about us video" with a play button, and one for "Browse Charity Campaigns" with a play button.

3. Login or create a new account if you have never registered before

The screenshot shows the sign-in page on CanadaHelps.org. It features the same navigation and logo as the homepage. A blue header reads "Sign In". Below it are two input fields: "Your email address or charity username" and "Password". To the right of the "Password" field is a "Create one" button. Below the input fields is a "Sign In" button and a link for "Forgot your password?". At the bottom, there is a line of text: "Or sign in using your account from one of the sites below:" followed by a question mark icon.

- Once logged in, search for CMAT in the search field. Once selected, “2015 Nepal Earthquake should be the first option in the project list”
